FINA SYNCHRONISED SWIMMING WORLD CUP

The World Cup is a four-day elite-level synchronized swimming competition held every 4 years in September with Solo, Duet, Team (divided into Technical and Free Routines) and Free Combination on the programme. Each Member Federation may enter no more than one swimmer or team per event, with a maximum of 12 athletes. The Federation with the highest sum of all final results from the various events is the World Cup winner.

The 12th edition of the World Cup was held in Changshu (CHN) on September 16, 2010.

The next edition of the World Cup will be organized in Quebec City (CAN) on October 2-5, 2014.
